# design Studio

Welcome to Swish Design Studio!

This ground-breaking new Mix & Match range features 11 exciting new finial designs which have been specially proportioned to work beautifully with both 28mm and 35mm diameter poles.

Design Studio poles, finials and accessories are available in 4 finishes - Graphite, Satin Steel, Antique Brass and Chrome - to complement any decor.

The Design Studio pole kits come with a standard collar which you can choose to upgrade to either a more contemporary or classic design.

You can truly design your own look by following these 3 simple steps:

Choose your pole:  
length, finish and diameter.

Select the finial that  
complements your look.

Complete your design by  
choosing from a range  
of accessories including  
collars, rings, holdbacks  
and specialist brackets.

# BAY POLE COLLECTION

When it comes to bay windows  
Design Studio has all angles covered.

Design Studio allows you to  
create a bespoke bay pole which  
will suit most bay windows.

Lined  
Pass Over Rings

Pass Over  
Bracket

Top Fix  
Pass Over Bracket

To design a bay pole to suit your  
window follow these simple steps:

Measure window and select your  
pole length.

Choose your finish and pole diameter.

Select the finial that complements  
your look.

Complete your design by choosing  
from a range of accessories including  
collars, rings, holdbacks and brackets.

# design Studio

Bay return

Design Studio Bay Poles are sold in both 28mm and 35mm diameters and each of the 4 finishes - Antique Brass, Chrome, Graphite and Satin Steel.

Each kit comes complete with passing brackets, lined rings and joiners.

Additional bay bend kits are available for creating a return or for bays with more than 2 internal corners.
